If a gaff breaks the plane of the covering boards and leaves the confines of the cockpit then the team has committed to a capture and the fish will not earn release points.

9. **Points System** - All billfish, with the exception of captured blue marlin, must be released to earn points. Release points are 100 each for White Marlin, Blue Marlin, Sailfish, Swordfish and Spearfish. Photo verified Blue Marlin releases will earn an additional 150 points (250 total). In order to weigh a blue marlin it must meet one of the size requirements: 110 inches forked length or 400 pounds. There will be no penalty for a 110+ inch blue marlin that does not meet the minimum weight of 400 pounds, however, a blue marlin must weigh 400 pounds or more to receive points. The penalty for landing a fish that does not meet the minimum requirements of 110 inches or 400 pounds will be forfeiture of all points for that day plus 200 additional points. The following all qualify for verification although video is the easiest form to confirm: date/time stamped photography and video and/or dated cell phone photos or video. All photos and video become the property of PCBT upon completion of scoring. Colored ribbons will be distributed to each boat at registration. If your choice of verification does not have a date/time stamp, confirmation of the day will be made by adding the day's ribbon to the photo/video. The color chosen for the day of fishing will be announced on the Official VHF Channel before Lines In each morning.

13. **Weighing Fish** - Any fish weighed will be entered on a scorecard by the Weighmaster. If anyone wants a fish reweighed it must be done while the fish is still hanging. In the event that this is also a tie the earlier time of weigh in shall determine the winner. Meatfish may be transported to the scales over land by car.

15. **Trophy Awards** - Trophies will be awarded to the Daily Top Junior, Lady and Overall Anglers. Total points for the Top Overall Angler will be calculated only using points resulting from the Angler hooking their own fish and boating or releasing unassisted (no pass of the rod). Ties will be broken by time/date of catch. Daily Top Junior and Top Lady Angler billfish points will count whether the rod was 'passed' or not.

16. **Polygraph Testing** - Members of any winning team for cash awards will be subject to polygraph testing. Any registered participant may be asked to submit to polygraph testing by the Rule Committee. Failure to comply with testing will result in the disqualification of the participant and, at the discretion of the Rules Committee, their entire team. Participants and/or teams that refuse or fail the polygraph testing will forfeit all entry fees and potential prize money. The decision of the Rules Committee is final - by signing the tournament release participants agree to the results of polygraph testing.
